The Gambling Control Act, among other things, generally requires a person to be licensed by the California Gambling Control Commission to participate in operation of a controlled game. The act requires the commission to deny a license to an applicant who has been convicted of a felony, including a conviction by a federal court or a court in another state for a crime that would constitute a felony if committed in California. This bill would except from the requirement to deny a license a conviction of a felony for the possession of cannabis, the facts of which would not constitute a felony or misdemeanor under California law on the date the application for a license is submitted.</p>	Oppose		2/15/2018 - Re-referred to Com. on B. & F.R.	
<a href="#">AB 168</a> <a href="#">Eggman</a> D	<p><b>Employers: salary information.</b>            Would prohibit an employer from relying on the salary history information of an applicant for employment as a factor in determining whether to offer an applicant employment or what salary to offer an applicant. The bill also would prohibit an employer from seeking salary history information about an applicant for employment and would require an employer, upon reasonable request, to provide the pay scale for a position to an applicant for employment. The bill would not prohibit an applicant from voluntarily and without prompting disclosing salary history information and would not prohibit an employer from considering or relying on that voluntarily disclosed salary history information in determining salary, as specified.</p>	Oppose		10/12/2017 - Approved by the Governor. <p><a href="#">SB 1398</a> <a href="#">Skinner D</a></p>	<p>Corporation taxes: tax rates: publicly held corporations: credits. The Corporation Tax Law imposes taxes according to or measured by net income at a rate of 8.84%, or for financial institutions, at a rate of 10.84%, as specified. This bill would, for taxable years beginning on and after January 1, 2019, revise that rate for taxpayers that are publicly held corporations, as defined, and instead impose a tax rate from 8.84% to 13%, or for financial institutions, from 10.84% to 15%, based on the compensation ratio, as defined, of the corporation.</p>	<p>Oppose</p>		3/8/2018 - Referred to Com. on GOV. & F.	
<p><a href="#">SB 1402</a> <a href="#">Lara D</a></p>	<p>Labor contracting: customer liability. Would require a customer that, as part of its business, obtains port drayage services with a port drayage motor carrier on a list that the bill would require to be established by the Division of Labor Standards Enforcement and posted on its Internet Web site, be jointly and severally liable with the motor carrier for future unpaid wages, unreimbursed expenses, damages and penalties, including applicable interest, found due to any and all commercial drivers provided, directed, or used by the motor carrier to perform port drayage services for the customer, or that are found due as civil penalties to the state, as specified.</p>			4/10/2018 - Withdrawn from committee. Re-referred to Com. on RLS.	
<p><a href="#">SCA 6</a> <a href="#">Wiener D</a></p>	<p>Local transportation measures: special taxes: voter approval. Would require that the imposition, extension, or increase by a local government of a special tax as may otherwise be authorized by law, whether a sales or transactions and use tax, parcel tax, or other tax for the purpose of providing funding for transportation purposes be submitted to the electorate by ordinance and approved by 55% of the voters voting on the proposition. The measure would authorize an ordinance submitted to the voters for approval under these provisions to provide, as otherwise authorized by law, for the issuance of bonds payable from the revenues from the special tax.</p>	<p>Support</p>		5/25/2017 - May 25 hearing: Held in committee and under submission.
