| <a href="#">AB 67</a><br><a href="#">Gonzalez</a> D | <b>Double Pay on the Holiday Act of 2016.</b><br>Would enact the Double Pay on the Holiday Act of 2016 that would require an employer to pay at least 2 times the regular rate of pay to an employee at retail and grocery establishments, as defined, except employees in specified categories, for work on a family holiday, as defined. This bill contains other related provisions and other existing laws.                                                                                                              | Oppose           | CCC - Oppose                    | 2/4/2016 - Referred to Com. on L. & I.R.                                      |
| <a href="#">AB 1676</a><br><a href="#">Campos</a> D | <b>Employers: salary information.</b><br>Would prohibit an employer, including state and local government employers, from seeking salary history information about an applicant for employment, except as otherwise provided. The bill would require an employer, except state and local government employers, upon reasonable request, to provide the pay scale for a position to an applicant for employment. The bill would specify that a violation of its provisions would not be subject to the misdemeanor provision. |                  |                                 | 5/4/2016 - In committee: Set, first hearing. Referred to APPR. suspense file. |

|                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                              |     |                                                                                                       |

| <a href="#">AB 1713</a><br><a href="#">Eggman</a> D   | <p><b>Sacramento-San Joaquin Delta: peripheral canal.</b><br/> Current law requires various state agencies to administer programs relating to water supply, water quality, and flood management in the Sacramento-San Joaquin Delta. The bill would prohibit the construction of a peripheral canal, as defined, unless expressly authorized by an initiative voted on by the voters of California on or after January 1, 2017, and would require the Legislative Analyst's Office to complete a prescribed economic feasibility analysis prior to a vote authorizing the construction of a peripheral canal.</p>                                                       | Oppose - on coalition letter | CCC | 4/27/2016 - In committee: Set, first hearing. Referred to APPR. suspense file.                        |
| <a href="#">AB 1727</a><br><a href="#">Gonzalez</a> D | <p><b>Hosting platforms: independent contractors.</b><br/> Current law relating to employment governs the grant of restraining orders or injunctive relief in labor disputes, as defined. This bill would establish for eligible groups of independent contractors the right to organize and negotiate with hosting platforms, and would declare the activity of such a group to be a labor dispute for purposes of injunctive relief. The bill would require a hosting platform to meet and negotiate with a group on specified subjects. The bill would define terms for those purposes. This bill contains other related provisions and other current laws.</p>      | Oppose                       | JK  | 4/22/2016 - Failed Deadline pursuant to Joint Rule 61(b)(5). (Last location was A. JUD. on 4/21/2016) |
| <a href="#">AB 1759</a><br><a href="#">Bonta</a> D    | <p><b>Hydrogen fluoride: notice of use: substitution.</b><br/> Would require an owner or operator of an oil refinery that uses hydrogen fluoride, hydrofluoric acid, or modified hydrofluoric acid in its operations to send out biannual notices to each business, school, child care facility, library, church, community facility, senior facility, and residence within a 3.5-mile radius of the refinery, as specified. The bill would require the cost of the notice to be paid by the owner or operator of the refinery. The bill would require the owner or operator to file a copy of the notice and distribution list with the State Air Resources Board.</p> |                              | JK  | 3/8/2016 - In committee: Set, first hearing. Hearing canceled at the request of author.               |
| <a href="#">AB 1882</a><br><a href="#">Williams</a> D | <p><b>Oil and gas: groundwater monitoring.</b><br/> Would require the Division of Oil, Gas, and Geothermal Resources to provide an opportunity and the information necessary for the State Water Resources Control Board and the appropriate regional water quality control board to review, comment on, and propose additional requirements for Class II underground injection well projects. The bill would require the state board or the appropriate regional water quality</p>                                                                                                                                                                                     | Adopted                      | JK  | 4/20/2016 - In committee: Set, first hearing. Referred to APPR. suspense file.                        |

|                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |         |    |                                                                                                            |

|                                                      | control board to review, comment on, and propose additional requirements it deems necessary for those projects to ensure that the injection of fluids will not affect the quality of water that is, or may reasonably be, used for any beneficial use.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |         |    |                                                                                                            |
| <a href="#">AB 2162</a><br><a href="#">Chu</a> D     | <b>Oak Woodlands Protection Act.</b><br>Would enact the Oak Woodlands Protection Act, which would prohibit a person from removing from an oak woodland, as defined, specified oak trees, unless an oak removal plan and oak removal permit application for the oak tree removal has been submitted to and approved by the Director of Fish and Wildlife. This bill contains other related provisions and other existing laws.                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Adopted | JK | 4/22/2016 - Failed Deadline pursuant to Joint Rule 61(b)(5). (Last location was A. NAT. RES. on 2/29/2016) |
| <a href="#">AB 2170</a><br><a href="#">Frazier</a> D | <b>Trade Corridors Improvement Fund: federal funds.</b><br>Would require revenues apportioned to the state from the National Highway Freight Program established by the federal Fixing America's Surface Transportation Act to be allocated for trade corridor improvement projects approved pursuant to specified provisions. This bill contains other related provisions and other existing laws.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Support |    | 4/20/2016 - In committee: Set, first hearing. Referred to APPR. suspense file.                             |
| <a href="#">AB 2171</a><br><a href="#">Jones</a> R   | <b>Coastal resources: development review: appeals.</b><br>The California Coastal Act of 1976 specifies that any appealable action on a coastal development permit or claim of exemption for any development by a local government or port governing body may be appealed to the commission by an applicant, any aggrieved person, or any 2 members of the commission, except as provided. This bill would, notwithstanding those provisions, and to the extent permitted under federal law, authorize an applicant for a coastal development permit or any aggrieved person to file an appeal of any appealable action on a coastal development permit or claim for exemption for any development proposed to be located in an area subject to a certified local coastal program directly to a superior court of competent jurisdiction, in lieu of filing an appeal with the commission. |         |    | 4/22/2016 - Failed Deadline pursuant to Joint Rule 61(b)(5). (Last location was A. NAT. RES. on 4/5/2016)  |
| <a href="#">AB 2183</a><br><a href="#">Gatto</a> D   | <b>California State University: personal service contracts.</b><br>Current law authorizes the trustees of the California State University to enter into agreements with any public or private agency, person, or institution for the furnishing of services, facilities, goods, supplies, or equipment, among others, and requires the trustees to prescribe                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Oppose  |    | 5/4/2016 - In committee: Set, first hearing.
